

Point Cook 3+ Activity Group

Cookie Kids

CHATTER

Term 3 2013 – 2nd September

WHAT'S HAPPENING?

Sports Week at Cookie Kids

During the last 2 weeks of term we will be running a sports program with the children. If your child would like to dress up in their favourite team colours, or their favourite sport/activity (soccer, AusKick, dancing, football, karate...the list is endless...) that they enjoy they can do this during these two weeks - 9th September - 20th September.

Each session will be having a sports incursion with Fit-Kicks and they will be attending during the following dates.

Thursday Am and PM sessions - 12th September (next week)

Monday session - 16th September (last week of term)

Friday session - 20th September (last week of term)

Fit-Kicks is an organisation which runs programs for children at Jamieson Way Community Centre on a Saturday morning and also a Wednesday afternoon. They are kindly supporting Cookie Kids by running a program with the children which will cover a variety of skills - hand eye coordination, gross and fine motor skills and most of all having fun whilst playing sport.

THANK YOU!

Cookie Kids has won \$300 from Grill'd!

The money will go towards creating an outdoor play area that enhances the children's imagination and offers them areas to explore and discover.

Thank you to everyone who headed down to Grill'd during August and placed their token in the Local Matters jar! We had a great response and I think the jar was filled 3 times over the month!

Once again THANK YOU!!!

FRIENDLY REMINDERS & INFORMATION

Facebook: Do you have a Facebook page? If so be sure to go and 'like' our page. Search for

Point Cook 3+ - Cookie Kids. We will be utilizing this page regularly with updates, program information, reminders and other information.

Professional photos: Each family will receive an envelope with a proof sheet of the photos that were taken of your child and also an order form.

You can choose to order as many photos as you wish – just indicate on the order form which photo and how many you are purchasing.

The group photo is not on the proof sheet but you will find a copy displayed in the room. Most sessions have two group photos taken as each week there were children away and Jennifer has tried to capture each child in at least one group photo.

You are then required to put the correct amount of money in when you place your order. The office does not handle the order forms as they will go directly to the photographer – Jennnifer Treloar.

Please return all order forms with the correct money by the 13th September – this will ensure photos will be returned by the 2nd week of term 4.

Weather: As the weather begins to warm up please pack a sun hat for your child and also apply suncream before you attend Cookie Kids. We are not able to supply suncream to the children due to skin sensitive and allergies.

Lost Property: There is a lost property tub which has a number of items that have been left behind – please go through the tub and check if anything belongs to your child. During the term break all items not collected will be given to 'Good Will'.

Term dates and Public Holidays for Cookie Kids:

Term 4 Monday 7th October – 13th December

No Public Holidays (for Cookie Kids) Term 4

(Remember: Cookie Kids finishes a week before school finishes in December)
